

QUICKFOLD™ FLEXGUIDE™ Kits

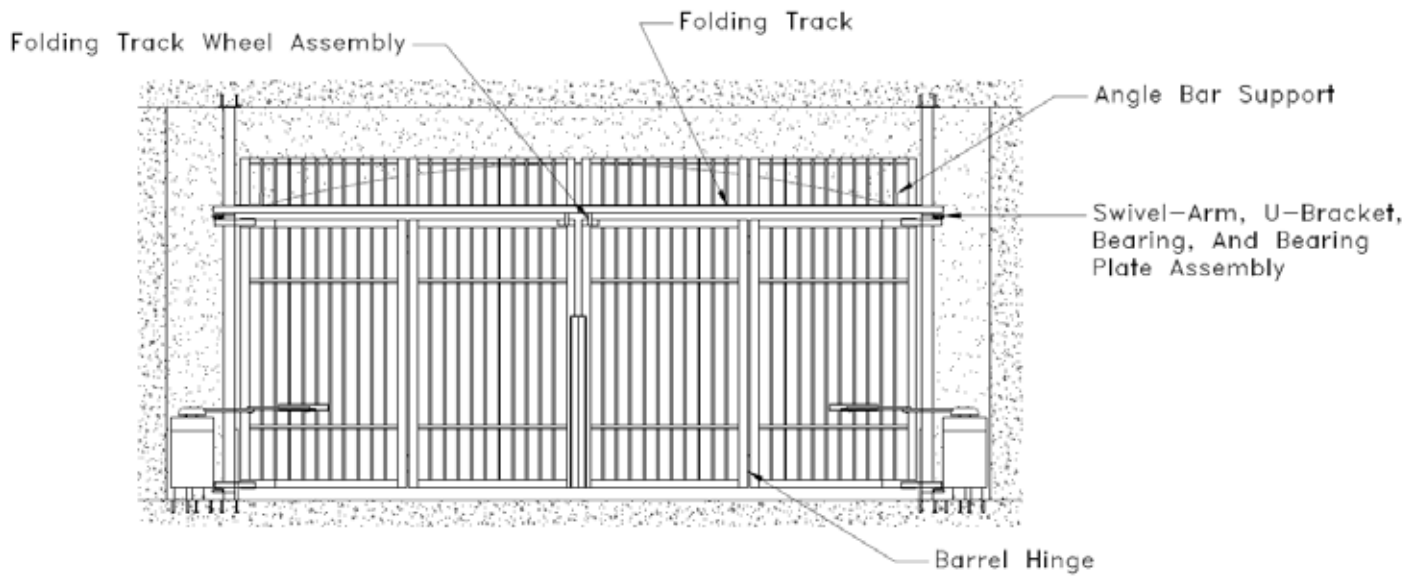

Part # QFPM.001R

Features

- Includes everything you need to build a folding gate system except the gate panels and operator
- Fast, clear opening for vehicles reduces wait times and improves property security
- Durable overhead track and self-lubrication guide wheels tested more than 1 million cycles
- Special HeavyHinge™ heavy duty hinge and arm design allows gate to fold fully out of drive lane for maximized clearance
- Compatible with most gate designs and construction
- Fully illustrated instructions for gate fabrication and installation
- UL325 compatible design
- Made in the USA with USA steel
